

# Challenging Sexual Harassment in the Workplace to Change the Culture

Brought to you by **Equal Opportunity Specialists (EEO)**, featuring professional actors and facilitated by **Franca Sala Tenna**

**Our March CPD Event Not to be Missed!**

**This is a story of one legal workplace, it could be any legal environment, it could be yours.**

**What's Our Story?** is the scenario of characters Stephanie, the newest addition to the law firm, and Larry, the junior partner and high-achieving litigator. What happens next will provoke, challenge and make us reflect.

Now is your chance to be in the audience and experience this event for yourself. Informed by last August's audience feedback, this repeat performance brings you 'sliding door' scene reenactments of what should have happened to highlight best practice behaviours. As the drama unfolds, you get to call out bad behaviours, interact with the characters and be drawn into the complexity of how workplace sexual harassment can be allowed to flourish and how it can be addressed.

**You will leave better informed about workplace sexual harassment, what to do about it and what the consequences are if a person crosses the line.**

## What our audiences have said:

*"It was excellent and the most engaged an audience I have seen for some time. I commend the presenter on the content and execution"*

*"Really valuable – should be compulsory"*  
*"Engaging, enjoyable presentation of a serious issue"*
