

# Young Lawyer CPD Programme

Brought to you by  **legalsuper**

## September to December 2021

Being admitted as a lawyer does not spell the end of your education in the profession. Young lawyers are the future leaders in the legal profession, so furthering your education, skills and knowledge is a great investment. The Society is pleased to include a variety of seminars in our current CPD programme that are relevant to lawyers with less than 5 years' post admission experience and/or under the age of 35. With a great range of speakers and topics with some special pricing for young lawyers, we hope to see you at one or more of these seminars.
