

Buying a new car? At NO COST to Law Society members, Fleet 1st will save you time and money - guaranteed!

In essence, we locate, negotiate, buy and deliver predominantly new vehicles at significant savings.

There is a Fleet or Corporate discount offered depending on the brand of car and model.

Additional benefits provided:

- organise test drives
- trade-in valuations
- arrange finance (if required)
- personally deliver the new vehicle (if that is the preference)
- As a licensed national buyer able to source vehicles Australia wide

Independent advice and consultation on any new vehicle means we can provide a buying experience without the usual pressures of dealing with a car yard.

For price, service, knowledge and know-how, Fleet 1st truly is the one stop shop for all your automotive needs.

Contact me directly to take advantage of all the fleet/corporate benefits for the private buyer.
