

Networking Event for In-house & Government Lawyers

Tuesday, 24 September 2019 | 4.00pm – 6.00pm
The Law Society of Western Australia
Level 5, 160 St Georges Terrace, PERTH

The In-house/Government Lawyers Committee, a Standing Committee of the Law Society of Western Australia, provides a forum for the exchange of information and ideas for the purpose of representing and promoting the interests of in-house counsel and government lawyers in Western Australia.

We encourage the sharing of information across all organisations and the promotion of the interests of in-house counsel within private and public sectors to assist in consolidating the position of this important sector of the profession.

Please join the Committee for a FREE networking event for in-house and government lawyers to meet and consider topical issues relevant to them in a relaxed and collegiate environment.
