

2020 Cluedunnit Kids  
Winning Team and Judges

## Francis Burt Law Education Programme

# Cluedunnit Kids Competition Mission Investigate

Cluedunnit Kids addresses WA Curriculum General Capabilities and provides an opportunity for students to apply the core HaSS Skills.

Year 6 and Year 5/6 student teams investigate a fictional criminal offence with the goal of identifying the prime suspect.

A brief of evidence provides clues and students ask questions to get further evidence to identify the prime suspect and eliminate the other suspects.

Each team then creates and submits their findings in a creative way of their choosing.

All students receive a certificate of participation and a commemorative gift.
